Win up to £25,000 and support a cause you care about with unity

Unity is a lottery with a difference. Every week you have the chance to win our £25,000 jackpot plus many other fantastic cash prizes, and at the same time you're helping us raise funds to support our work. The more people play the more money we receive, so we need your support. For every £1 entry - at least 50p comes directly to us as profit.

How it works

The draw takes place every Saturday and each entry costs just £1. When you join the lottery you're allocated your own 6-digit Unity lottery number. A random winning number is drawn - the aim is to match the winning number.

If you match...

6 digits you'll win £25,000 plus a £2,500 donation to the cause you're supporting	5 digits you'll win £1,000
	4 digits you'll win £25
	3 digits you'll win £5

A match occurs if your digits are in the same place in the sequence as they are in the winning number...

Example

325764 - random winning number
326574 - your lottery number
[This is a 3-number, £5-winning match]

All winners are notified and prizes posted automatically if you win, so you can't miss out!
